Title: Specifying Architecturally Exposed Structural Steel: The Next Generation For Success

Date: June 21, 2018

Time: 12:30 PM – 1:30 PM

LU: 1 LU/HSW

#### Program Summary

[Session description as published on conference website]

#### Learning Objectives

- A. Discover the factors that impact the implementation of AESS
- B. Practice identifying and specifying AESS in the contract documents using the category approach
- C. Discuss the expectations of fabrication and erection of AESS under the 2016 AISC Code of Standard Practice
- D. Learn how to identify available resources for additional information when applying AESS on upcoming projects

#### Speakers:

- Tabitha Stine – Vice President of Market Development
- Jacinda Collins – Structural Steel Specialist, New York Market
