[W 35th Street & 11th Avenue, New York, NY 10001](http://maps.google.com/maps/?q=W%2035th%20Street%20%26%2011th%20Avenue%2C%20New%20York%2C%20NY%2010001)  (<http://maps.google.com/maps/?q=W%2035th%20Street%20%26%2011th%20Avenue%2C%20New%20York%2C%20NY%2010001>)

**DESCRIPTION**

Details are where you can and do make the most dramatic difference as an architect. And, with today's focus on green materials, the responsibility of detailing has increased. Every element of your design and build needs to meet both an architectural design aesthetic and sustainability requirements. Join this session and learn how specifying extruded aluminum trim for use with various siding materials can help you meet both your design aesthetic vision and sustainability goals.
