12:30pm - 1:30pm (EDT)

Owens Corning: Booth 627LL

[W 35th Street & 11th Avenue, New York, NY 10001](http://maps.google.com/maps/?q=W%2035th%20Street%20%26%2011th%20Avenue%2C%20New%20York%2C%20NY%2010001)  (<http://maps.google.com/maps/?q=W%2035th%20Street%20%26%2011th%20Avenue%2C%20New%20York%2C%20NY%2010001>)**DESCRIPTION**

How does mineral wool contribute to sustainable buildings? The full scope of the answer might surprise you. This session will provide an overview of mineral wool, its manufacturing process, and importance as a continuous insulation. You'll review rain screen principles, types of rain screen assemblies, and reasons to use continuous insulation. Plus, learn about the advantages of mineral wool, making installation recommendations, and mineral wool insulation LEED[®] contributions. Join us to pick up practical knowledge you can apply immediately to your firm's sustainability efforts.
